other patents pending.

SWISS+TECH® 11-in-1 Key Ring Tools

First in Key Ring Products

Swiss+Tech® Micro-Pro™

Micro-Pro™ — Next Generation Micro-Tools

Swiss+Tech Products proudly introduces its new line of Micro-Pro™ Key Ring Tools. Lifetime warranted Swiss+Tech® Tools have built a strong reputation for precision, high quality and durable designs at key impulse price points. With Micro-Pro™, the most convenient key ring tools on the market are made even more appealing with new, attractive styling and improved functionality.

Integrated Multi-Function Docking Stations

In addition to the patented quick-release self-locking mechanism, Micro-Pro™ combines patent-pending, next generation Swiss+Tech® Micro-Tool technology with Digital Clock or ultra-bright LED Micro-Light docking stations.

Strong POS Merchandising

The new Micro-Pro product line is supported by high impact packaging, including an interactive "Try My Light" feature, that effectively communicates features and benefits at the point of sale. Complete merchandising programs are available, including clip strips, one, two and four section counter displays, and eight section floor and wall displays.

The innovator in Micro-Tools does it again with another revolutionary, patented and patents pending design!

Micro-Pro™ Multi-Function Folding Tool Set

- Precision crafted
- Solid stainless steel
- Pocket-friendly—no sharp edges when "docked"
- Securely attaches to Micro-Light Tool Dock or any key ring for a convenient, pocket size, precision "tool kit"

Micro-Pro™ XL Micro-Light Tool Dock

- Bright white light
- Lifetime LED bulb
- Momentary on/off
- Constant on/off
- Contains two 3-volt lithium batteries
- Separates from tool to light your work
- Use attached to tool, or unattached

Micro-Pro™ XC Micro-Clock Tool Dock

- Easy-to-read display
- Time or alternating time & date modes
- Seconds-only function
- Works with tool attached or separated
- Contains one SR626SW Lithium battery
- Easy to follow instructions included

Attention-getting, informative, full-color clamshell packaging is carefully sealed to prevent tampering.
